As a school we wish to work closely with the parish council to encourage as many pupils as possible to choose other forms of transport to get to / from school.</p> <p>We have recently updated our school Travel Plan and Bikeability is an area we wish to pursue for our pupils.</p>
5	<p>Please tell us how your project or activity meets the criteria set out in the Laverstock and Ford Parish Council's grant policy (available to view at www.laverstockford-pc.gov.uk)</p>

We believe that educating our pupils and providing Bikeability courses to as many as possible (including those that do not currently own a bike), will encourage this greener form of transport and in time will have an impact on less congestion around Laverstock schools.</p>
