The Clerk will consider your complaint and, hopefully, it will be resolved to your satisfaction, either by immediate action or a course of action agreeable to you. If you feel that the complaint cannot be resolved to your satisfaction, you can ask for the matter to be referred to a sub-committee of three Parish councillors under Stage 2. Stage 1 will be completed within 15 working days of the date of your complaint.

STAGE 2 REVIEW OF STAGE 1 RESPONSE

If you are dissatisfied with the Stage 1 response, you may, within 15 working days of the date of the response, request a review. This will be undertaken by a specially convened subcommittee of three Parish councillors who will consider and investigate your complaint and review the Stage 1 response. You will receive a response within 15 working days of your request for a review. The decision of the sub-committee will be final.

Appendix 1:

COMPLAINT FORM REGARDING COUNCILLORS

This form is for complaints against Members of Wiltshire Council and Members of Town/Parish/City Councils within the Wiltshire Council Unitary Authority area, in accordance with the arrangements set out in [Protocol 11](#) of the Wiltshire Council Constitution and the Localism Act 2011.

Complaints must relate to the behaviour of a Member of a Council when on official business, where that behaviour is considered to be in breach of that Council's Code of Conduct for Members.

In accordance with Paragraph 4.6 of Protocol 11, the Monitoring Officer may decide not to take any further action on a complaint where, on the available information, it appears to be trivial, vexatious, malicious, politically motivated or 'tit for tat', and it would not be in the public interest, including particularly the efficient use of resources

If you have any questions relating to completion of this form or the complaints process, please email governance@wiltshire.gov.uk or write to Governance, County Hall, Trowbridge, BA14 8JN or Tel: 01225 718400

Code of Conduct and Guidance for Submission of a Complaint

Every local council has its own Code of Conduct. Members of a Council only have to comply with the Code of Conduct relevant to the Council of which they are a Member. Codes are often accessible from the relevant Council website, if they have one, or otherwise upon request from the Clerk of that Council. If someone is a Member of several Councils, they may be subject to multiple Codes.

In all cases, the Code of Conduct **ONLY** applies when the Member is acting in their capacity as a Member and does not apply to their private lives or when they are acting in other capacities. However, it is possible that someone could be acting in multiple capacities simultaneously.

If, having read the relevant Code, you believe that the Member has breached their local Code, please enclose a copy of that Code with your complaint. Please also provide an explanation of which elements of the code you believe to have been breached and how.

It is important that you provide us with all the information you want to be taken into account. This is because the Council's Assessment Sub-Committee will need to decide on the basis of information as submitted whether there is sufficient evidence to proceed to an investigation. If insufficient information is included, it may determine not to proceed.

For example, please make sure you tell us:

- Exactly what you are alleging the Member said or did. For instance, instead of just saying that the Member failed to act in the public interest in the conduct of their duties, please also state exactly what they said or did to lead you to that conclusion.
- You should give the date of the alleged incident(s) wherever possible. Where you cannot do so you must at least provide a general timeframe.

This is particularly important as a complaint will not be referred for investigation when it is made more than 20 working days after the date upon which the Complainant became, or ought reasonably to have become, aware of the matter giving rise to the complaint.

In any event, the Monitoring Officer may decide not to refer a complaint for investigation where, in their opinion, the length of time that has elapsed since the matter giving rise to the complaint means that it would not be in the interests of justice to proceed.

- You should let us know whether there were any witnesses to the alleged incident(s) and provide their names and contact details if possible.
- You should provide any relevant background information.

The assessment criteria used for consideration of complaints can be found on the council's website [at this link](#).

Decision Notices

When a final decision is made in relation to your complaint, whether it is to take no further action or, following an investigation and hearing, it is determined that the Member complained of is in breach of a relevant Code, a decision notice will be prepared. In the interests of transparency and fairness, such decision notices will normally be made public at the end of the complaints process. As the Complainant, you will receive a copy of the decision notice ahead of its publication on the Council's website. You will have an opportunity to make representations if you believe that personal details should be excluded from that decision notice, but must do so within five days of receiving the decision notice.

If such representations are made, the Monitoring Officer will give consideration to redacting parts of the decision notice or publishing a summary of the decision.

Privacy Notice

Wiltshire Council holds and processes personal data in accordance with all current legislation relating to data protection and complies with the General Data Protection Regulation 2016. Your details will be processed strictly in accordance with that legislation. A detailed Privacy Notice is included with this form.

Only complete this section if you are asking us to keep your identity confidential
Confidential from Subject Member

In the interests of fairness and natural justice, we believe that Members who are complained about have a right to know who made the complaint. We will provide them with a copy of this complaint form. - You or your witnesses being unlawfully bullied or intimidated or;
- The destruction of information or evidence that would seriously hamper an investigation of the complaint.

We will not automatically agree to a request to keep your identity or the substance of your complaint confidential. Your request and your reasons for asking for confidentiality will be considered by the Monitoring Officer. If they decide that your identity and information about your complaint must be released to the Member you are complaining about, we will let you know. Normally we would then allow you to withdraw your complaint if you wish to do so.

Provide us with details of why we should withhold your identity from the Member about whom you are complaining:

As detailed previously a summary of the details of the complaint, including names of the parties, will become public once the matter has been concluded.
